- 12.7. To take all reasonable precautions to prevent damage occurring to any pipes or other installations in the Property that may be caused by frost or freezing temperatures, provided the pipes and other installations have been insulated by the Landlord prior to the Tenancy.

CONDENSATION AND VENTILATION

- 12.8. To take adequate precautions to avoid condensation causing damage. Bedrooms, kitchens and bathrooms are the rooms in a property most susceptible to condensation damage.

Water vapor created by drying washing indoors, kettles, showering/bathing, cooking and tumble drying **MUST BE ALLOWED TO ESCAPE** from the confines of the room in order to avoid it settling on the coldest wall/window and then turning back into water. This in turn will gradually become black.

OPENING A WINDOW IN SUSCEPTIBLE ROOMS FOR 15 MINUTES A DAY WILL ALLOW WATER VAPOUR TO ESCAPE.

Condensation is generally not the fault of the property. Please **ENSURE** the following guidelines are followed: -

- Keep the doors closed as much as possible between the kitchen and other rooms and hall whilst cooking, boiling water and washing and drying clothes.
- Keep the kitchen window open even if it is cold outside when you are washing or drying clothes. It is very important to allow moist air to escape to the open air if condensation is to be avoided.
- Always close the bathroom door while the bath is being filled. Running a little cold water into the bath before the hot water is turned on will lessen the amount of steam produced. Ventilate the bathroom by opening a window, if possible, whenever the bathroom is in use and always after the bathroom has been used. If your bathroom has mechanical ventilation, ie. A FAN, ensure that the grills are kept clear.
- If for any reason the kitchen or bathroom doors cannot be kept closed when they are in use, the doors of other rooms and in particular unheated bedrooms should be shut.
- Avoid drying washing indoors as far as possible. If you have a tumble drier always use a ventilation pipe to the outside air, as unvented driers are a major source of condensation.
- Do not hang damp clothing or put wet shoes in cupboards for they will not dry properly and the dampness will encourage mould to grow on them. For the same reason, do not pack clothing tightly in cupboards.
- Good ventilation in your home is important. Try to keep a fanlight (top window) at least partly open in each room.
- Keep your home as warm as you can for the warmer it is, the less likely it will suffer from condensation provided the rooms are adequately ventilated.
- In any dwelling take care that furniture does not touch the walls, because air cannot circulate properly and keep wall surfaces behind free from condensation.
- If the walls of your kitchen or bathroom are painted in gloss paint, condensation will quickly show on them whenever the rooms are in use, but the moisture can be wiped away and it is unlikely to cause mould growth. However, mould growth should occur on any surface, make sure it is completely killed off by thoroughly cleaning the surfaces with an antiseptic or fungicidal solution. The purpose of cleaning surfaces affected with an antiseptic or fungicidal solution is to kill any mould spores that may have roots in the plaster under the decorations, for if their roots are not killed, the mould will soon reappear whether or not you have redecorated the walls.
- If you are out during the day, you should try to maintain a safe heating appliance in operation even though it is on a low heat. Otherwise during cold weather when you come in and start cooking, washing and heating the rooms to a comfortable temperature condensation will form very rapidly on the cold surfaces.

- 12.9. To make good, or pay for, any failure by the Tenant to comply with the obligations set out in this section of this Agreement.
- 12.10. To clean the inside and outside of the easily accessible windows regularly and at the end of the Tenancy provided they were cleaned at the start of the Tenancy as shown in the Inventory and Schedule of Condition.
- 12.11. To have all chimneys and flues (if any) thoroughly swept and cleaned as often as necessary and within one month prior to the termination of the Tenancy and provide a certificate to so verify.
- 12.12. To take reasonable precautions to keep all gutters, sewers, drains, sanitary apparatus, water and waste pipes, air vents and ducts free of obstruction.
- 12.13. To clear any blockage or over-flow when any occur in any of the drains, gutters, down-pipes, sinks, toilets, or waste pipes, which serve the Property, if the blockage is caused by the negligence of, or the misuse by the Tenant, his family or any visitors.
- 12.14. To take all reasonable precautions to prevent any infestation at the Property and to procure a professional de-infestation of the Property, its furniture and effects should an infestation occur after a period of one month from the commencement of the Term and to provide the Landlord's Agent with a certificate as to such de-infestation but this does not require the Tenant to be responsible for any infestation of the structure of the Property.
- 12.15. Where the Tenant is required to carry out repairs or other works under this Agreement the Landlord will give the Tenant written notice of those repairs so that the Tenant can elect whether to carry out such work within a reasonable time; or to request the Landlord to carry out the work at the Tenant's expense. Where this obligation has not been met, the Landlord may enter the Property with workmen, provided he has given the Tenant at least 24 hours' notice in writing, to carry out such repairs or other works and may claim the reasonable cost of such work from the Tenant as damages for breach of this Agreement.
- 12.16. BREAK CLAUSE

- 40.1 The Landlord may give the Tenant at least 2 months' notice to take effect after the end of ten months of the Tenancy and which cannot expire any earlier than the end of the first twelve months of the Tenancy or thereafter of his intention of recovering possession of the Property/Premises at the end of the notice period. Such Notice must also expire at the end of a relevant period, being the day before Rent normally falls due, which is the 14th of the month. Upon the expiry of this notice this Agreement shall cease except that either the Landlord or the Tenant can pursue their legal remedies against the other for any breach of any pre-existing rights under the Agreement apart from the pre-existing right to a fixed term contract which is subject to this break clause.
- 40.2 The Tenant may give the Landlord at least 2 months' written notice not to take effect until after the end of the first ten months of the Tenancy and not to expire any earlier than the end of the first twelve months of the Tenancy or thereafter, of his intention to leave the Property/Premises by serving written notice upon The Landlord in accordance with clause **39.3**. Such Notice must also expire at the end of a relevant period, being the day before Rent normally falls due, which is the 14th of the month. Upon the expiry of this notice this Agreement shall cease except that either the Landlord or the Tenant can pursue their legal remedies against the other for any breach of any pre-existing rights under the Agreement apart from the pre-existing right to a fixed term contract which is subject to this break clause.

RENT INCREASE

- 41 The Landlord can increase the Rent every twelve months on the date on which the Tenancy began ("the Rent Increase Date"). For the avoidance of doubt this means that the Rent will increase on 15th December each year. The increase will be 5% in addition to the current Rent payable. The Landlord must serve written notice on the Tenant in accordance with clause **39.4** at least one month prior to the Rent Increase Date ("the Rent Increase Notice"). If the Landlord chooses not to increase the Rent in any year it will not affect the Landlord's right to increase the Rent in any subsequent year of the Tenancy.

ACCEPTANCE OF RENT

- 42 Acceptance of Rent by the Landlord or the Landlord's Agent shall be at all times without prejudice to and shall not be a waiver of the rights and remedies of the Landlord in respect of any breach of the Tenant's agreements of stipulations contained in this Agreement; and any Rent paid by any third party will be accepted from that person as the Agent of the Tenant and will not confer on the third party any rights as the Tenant.

- 43.6 The Landlord agrees that any workmen or contractor involved in these works will at all times act reasonably and responsibly by protecting the work area, remove or carefully store tools and equipment used, remove any rubbish and leave the Premises tidy at the end of the day.
- 43.7 The Tenant agrees that no compensation sums will be made with respect to the works detailed above.

SPECIALLY NEGOTIATED CLAUSES

Joint Tenants/Sharers

The Tenants agree and understand that in entering into this Tenancy Agreement they commit themselves (and their guarantors – if applicable) to pay the Rent and abide by the terms set out in the Tenancy Agreement for the whole of the length of the Term of the Tenancy and potentially any continuation and that if they wish to leave early there is no obligation upon the Landlord to release them. The Tenants who are taking this Tenancy jointly as sharers further understand that if at any time before the end of the Tenancy they decide that they want to leave the Property they will still remain liable until and unless the Landlord or the Landlord's Agent has agreed the terms of a new Tenancy with the remaining Tenants. In the event that, at the end of the Tenancy Term, the Tenants cannot agree as to whether to renew (with the Landlord's agreement) or vacate the Property, all of the Tenants accept that they will, jointly as sharers, remain liable for all obligations and responsibilities under the terms of the Tenancy Agreement until and unless the Landlord or the Landlord's Agent has agreed the terms of any new Tenancy or the Landlord is granted vacant possession.

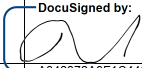

Loft

The Tenant is prohibited from using or gaining access to the loft space/area at the Property except in the case of an extreme emergency. The Tenant agrees to inform the Landlord or the Landlord's Agent upon each and every occasion that access to the loft space/area was gained with clarification of the circumstances of the emergency which lead to the access.
